

Defensive Driving

Online Course

IT'S FREE!

FOR USC STUDENTS

Defensive Driving training is online in Trojan Learn

Please follow these 5 simple steps:

1. Ask your manager to login to [Trojan Learn](http://trojanlearn.usc.edu) (trojanlearn.usc.edu) with their **USC username** and **password**.
2. Your manager should search for, register and launch the “Defensive Driving” online course for you.
3. You must complete the course by viewing **all pages** AND scoring **70% or higher** on the test.
4. Once completed, please submit the online [Acknowledgement of Completion](#).
5. Please print the confirmation page for your records.

If you have any questions about the online course, please contact the USC Defensive Driving Program at defensivedriving@auxiliaries.usc.edu.

Trojan Learn is USC's first university-wide learning and development platform for employees. Trojan Learn is provided by [USC Talent Management](#).
