

Defensive Driving

Online Course

IT'S FREE!

FOR USC STUDENTS

Defensive Driving training is online in Trojan Learn

Please follow these **5** simple steps:

1. Ask your manager to login to [Trojan Learn](http://trojanlearn.usc.edu) (trojanlearn.usc.edu) with their USC username and password. Students cannot login.
2. Your manager should search for, register and launch the “**Defensive Driving**” online course for you.
3. You must complete the course by viewing all pages AND scoring 70% or higher on the test.
4. Once completed, please submit the online [Acknowledgement of Completion](#).
5. Please print the confirmation page for your records.

If you have any questions about the online course, please contact the USC Defensive Driving Program at defensive.driving@usc.edu.

Trojan Learn is USC's first university-wide learning and development platform for employees. Trojan Learn is provided by [USC Talent Management](#).
