The USC Faculty/Staff Parking Lottery is NOW Open!
Register online at www.usc.edu/parking Before February 22nd.

What You Should Know:
- Do you plan on keeping your Parking Spot? Faculty/Staff with a current parking permit DO NOT need to enter this lottery, your current permit will be renewed automatically.
- Are you interested in changing your parking locations or Do you need a permit? Faculty/Staff may enter the lottery to change a current parking location or if you do not have a permit and wish to purchase a permit.
- Only Full-Time Faculty and Full-time Staff are Eligible for this lottery.
- Award notification will be sent out via email the week of March 1st.
- There is a one permit per Faculty/Staff policy. Unwanted permits must be returned for cancellation/refund upon notification of a lottery awarded permit.
- Applicants not awarded a permit through the lottery will be ranked and will remain on their chosen waiting list until additional permits become available or until the waiting list expiration date.

Please Note:
If you ARE NOT awarded one of your waitlist selections during the lottery as dictated by our current available inventory and faculty/staff participation there will be NO change in your current parking assignment.

We recommend that you log on to your parking account at www.usc.edu/parking to check and update your information. It is very important to update your classification. A properly configured account will guide you to the proper parking choices.

Before you begin, check the following sections: “My Profile”, “Account Mailing Addresses” and “Your Vehicles.”

To enter the lottery you will be required to select from a list of available waiting list options. You should choose a waiting list for your desired parking location in order of preference; a first choice should appear on top of the list.

Add/Edit Your Account Waitlists:
1. Click “Add/Edit Your Waiting List” and select the desired waiting list from the “Your Selection” dropdown box
2. Select a Vehicle for your Permit
3. Click “Submit”
4. Repeat the process adding up to 6 waiting lists
Remember to review Your Current Saved Waitlist and add or delete selections as needed.
