

Student Parking Renewal

If you have an active student parking permit, your permit will be automatically renewed for the Spring Semester. Please continue to display your current permit until the printed expiration date. You will not receive a new permit for spring, so do not dispose of your current permit. All parking fees will be billed to your student financial account in December.

Will you:

- Graduate in December?
- Travel aboard next semester?
- Have a new spring parking assignment?
- Not need spring parking for any other reason, and want to cancel your permit and refund the spring charge?

To cancel and refund a spring permit, you must return the parking permit (decal or hang tag) in person or by U.S. certified mail by January 1. Permits received after January 1 will receive a pro-rated refund based on the return/post-marked date.
