

USC Supplemental Safe Ride Program

Powered by Lyft

–

Program resumes January 7

Nightly from 7pm to 2am

**Existing students that are already in the program, stay in the program. You do not need to re-register.*

How does it work?

1. New students will receive an email invite from Lyft on January 4
2. You may activate your current Lyft account or create a new account through this invite.
3. Any **Lyft Shared** ride inside the USC Safe Ride Program boundary between 7pm and 2am will be free.

How do I know if my ride is free?

- It will say USC Safe Rides in the promo section of the app.
- The quote fare box will say FREE after you enter your pick-up and drop-off locations.
- You will get a 0.00 receipt after your ride is completed.

A few other things to know:

- Free ride hours may change due to holidays, football games, etc. On these days, the USC Transportation website (usc.edu/transportation) will be updated with service hours.
- Please do not share your invite with anyone. Invites are unique and once they are activated they will not work again.
- You must select Shared from the ride options. A Lyft Shared ride is 1–2 passengers – so you may bring one other person on your free ride. Please ignore any fee shown on the app for an extra person, your credits will cover this cost.
- Access to campus is limited from 8pm and Lyft will not be able to enter for pick-up or drop-off. If you want to get picked up on campus, please call Campus Cruiser at 213.740.4911

For more information, including a full list of pick up/drop off points, please visit usc.edu/transportation or contact Michelle Garcia at garciaml@usc.edu.
