

## Disabled Access to Road Transportation (DART) Program Application

DART is a free service provided by USC Transportation to assist USC students, faculty and staff with temporary mobility issues in getting around campus. Service is available at UPC during the fall and spring semesters only, between the hours of 8:30am-6:00pm, Monday-Friday.

### PROGRAM RULES/GUIDELINES:

- DART program vehicles are not city-street legal, and therefore cannot leave campus. Service is not available to off-campus housing, the University Parking Center, USC Village, etc.
- Anyone registering for DART service should be able to independently get in and out of a standard golf cart on their own. Due to liability concerns, drivers cannot provide assistance.
- Due to high demand for the program, drivers will not wait more than five (5) minutes past a scheduled pick-up time. If you are not ready at your assigned location/time, the driver may leave without you to continue their other assignments. If you no longer require a scheduled pickup, please call in advance to cancel the ride.
- Service will be automatically terminated after five (5) consecutive missed pick-ups. If service is no longer needed, please contact the DART program at (213) 804-0692 to be removed from the schedule.
- If you need transportation outside of our operating hours, we recommend contacting DPS 213.740.6000 ahead of time or utilizing other services like Campus Cruiser or Free Lyft.
