Subject: Announcing Lyft Rides Summer Hours

As part of our ongoing efforts to align transportation services with the evolving needs of our campus community, the **Lyft Rides Program will operate on the following adjusted summer schedule beginning July 1:**

- University Park Campus:
8 p.m. – 2 a.m., daily
- Health Sciences Campus:
8 p.m. – 2 a.m., Monday through Friday

This change reflects rider usage trends, which show the majority of rides during the summer months are between 8 p.m. – 2 a.m., largely due to extended daylight hours. Standard operating hours are scheduled to resume at the beginning of the fall semester.

For more information about the Lyft Rides Program and how to access it, please visit the [USC Transportation website](#) and [contact us](#) with any questions.
